

# UNITED WORLD WRESTLING

TO ALL NATIONAL WRESTLING FEDERATIONS  
TO THE UNITED WORLD WRESTLING BUREAU MEMBERS

Subject: 2019 - 2020 - 2021 Calendar

Dear Mr. President,

Many National Wrestling Federations requested to have the International Calendar fixed earlier. Following these demands, the Technical Commission proposed a standard yearly calendar.

This proposal was given to the Executive Committee who approved it. You will find therefore below the period when each event will be organized:

Senior World Championships	Middle of September (2 <sup>nd</sup> or 3 <sup>rd</sup> week)
U23 World Championships	October
Senior Continental Championships	April or May
U23 Continental Championships	One month before the date of the Senior Continental Championships
Cadet Continental Championships	Last two week-end of June
Cadet World Championships	Last week-end of July
Junior Continental Championships	Two first week-end of July
Junior World Championships	Middle of August
World Cups	November

In addition to this confirmation, they also approved the candidacies' timeline for the United World Wrestling Events:

Competitions' year	Actions	Period
2022	Establishment of the Yearly Calendar	August 2018
2022	Bidding period	September 2018 - May 2019
2022	Inspection visits	September 2018 - July 2019
2022	Allocation of the competitions	September 2019

By following this procedure, we would have the Calendar ready 4 years in advance and it will give a clear view for everybody (National Wrestling Federations, Host Cities, Other Entities).

The Announcement of the opening of the bidding period as well as the allocation of the competitions will be done during the Senior World Championships.

As you can easily see, we need to fill in the 2019, 2020 and 2021 Calendars as fast as possible if we want to catch up.

You will find therefore attached the 2020 and 2021 Calendar that will be published in the coming days.

You will also find attached all the Requirements to Organize these events.

We encourage all of you to BID for some of these events.

## UNITED WORLD WRESTLING

Please note that the Qualification System for the Olympic Games in Tokyo (JPN) was approved by the IOC Executive Committee. We are waiting the French version before sending to all of you.

Should you have any questions or need help in discussions with cities in your country, don't hesitate to contact us at: [bid@unitedworldwrestling.org](mailto:bid@unitedworldwrestling.org).

I kindly push you again to bid for United World Wrestling events. With this new timeline each organizer will have more time to prepare their event.

Sincerely Yours,

UNITED WORLD  
WRESTLING  
Nenad Lalovic
