Subject: 2020 Ranking Series

Dear Mr. President,

First of all, let me thank you for your huge participation to our last Senior World Championships. The qualifying phases started in Nur-Sultan and we already wish you all the best for the next phases.

As you might remember from our last circular about the Ranking Series, 2 events will be part of the Ranking Series in 2020. These two events, with the 2019 Senior World Championships and the 2020 Senior Continental Championships will be used to seed the 4 best athletes per weight category at the Olympic Games.

I have therefore the pleasure to inform you that the 1st Ranking Series will be organized in Roma (ITA), from the 15th to the 18th of January 2020. You will find attached to this circular the specific information and schedule for this event.

The 2nd Ranking Series will be organized in Warsaw (POL), from the 4th to the 7th of June 2020. The exact schedule will be published in the coming weeks. Please note that these two events will organize the three styles and the 10 weight categories per style. The Registrations will be done through Athena.

We would like to thank both organizers and hope that many participants will be registered for these events.

I also want to remind you that the ranking will also determine the 2 seeds for all the Continental and World Qualifiers. To seed these athletes, we will take into account the results of:

- 2019 Senior World Championships
- 2020 1st Ranking Series
- 2020 Senior Continental Championships

Please read again the circular sent to you in September "Bureau Decisions / Ranking Series and Olympic Qualifiers" to have all the necessary information linked to that important topic.

I also take this opportunity to encourage you to BID for hosting one Ranking Series event in the next Olympic Cycle. We are sure that this type of event can attract more participants and UWW coverage is also bigger.

We are at our disposal if you have any question regarding the Ranking Series.

Sincerely Yours,

Jean-Daniel Rey
