

# UNITED WORLD WRESTLING

TO ALL ASIAN NATIONAL FEDERATIONS

**Subject: 2020 Asian OG Qualifier, Xi'an (CHN)**

Dear Mr. President,

In view of the current health situation in China, we have been contacted in order to receive some clarifications and United World Wrestling's position.

Our first concern is to preserve the health of the delegations and be sure that they will be able to compete in good conditions. We are trying to collect as much information as we can in order to clearly evaluate the situation on site and take the necessary measures if needed.

That being said, we currently maintain the competition in Xi'an (CHN).

Should you need to start preparing your trip and book your flight tickets, we strongly advise you to purchase flexible tickets with few or no booking cancellation fees.

If the circumstances get worse, we will have to reconsider our position and therefore reallocate this event. In this case, we must be ready to take immediate decision. Therefore, we ask the National Federations who would be ready to take up this challenge within a short time period, to send their candidacy as soon as possible.

We thank you very much for your understanding and cooperation.

Yours sincerely,
