2021 Ranking Series

Dear Mr. President,

First of all I hope that you enjoyed the Tokyo 2020 Olympic Games and that you reached your objectives.

By this circular we would like to remind you that this year is very unique because a Senior World Championships will be organized the same year than the Olympics. It will be the perfect event to watch additional interesting matches and some "revenges" of the Games.

Moreover, we also remind you that the UWW Bureau has decided to include the 2020 Prize Money into the 2021 Prize money. This prize money will also concerns the weight categories that we not included in the Olympic Games.

At the end of the year, the 3 best athletes of EACH weight category will receive:

1st place - 10'000 USD
2nd place - 7'000 USD
3rd place - 3'000 USD

The events that will count for this Ranking are:

2021 Ranking Series Matteo Pellicone - Roma (ITA)
2021 Senior Asian Championships - Almaty (KAZ)
2021 Senior European Championships - Warsaw (POL)
2021 Senior Pan-American Championships - Guatemala City (GUA)
2021 Ranking Series Poland Open - Warsaw (POL)
2021 Olympic Games - Tokyo (JPN)
2021 Senior World Championships - Oslo (NOR)
2021 Senior African Championships - El Jadida (MAR)*

Therefore, we heavily encourage you to register a big delegation for the Senior World Championships that will be held in Oslo. Note that the medallists of the Olympic Games will be able to score a maximum of points if they compete in Oslo. All the points allocated during these events are given to the athlete - not the country.

I also take this opportunity to inform you that the Bureau Members decided to take into account the Ranking of the 2020 Senior African Championships to establish the seeds for Oslo because this Continent didn't have their Continental Championships before the Senior World Championships.

I remind you that the deadline for the final entries in Oslo is fixed the 2nd of September and already ask you to make your registration through Athena as soon as you can.

Some additional information related to the sanitary protocol and the allowance of spectators in Oslo will be provided to you in the coming weeks.

Sincerely Yours,

Nenad Lalovic
President

**If the 2021 Senior African can't be organized, the 2020 Senior African Championships' results will be taken into consideration for the 2021 Yearly Ranking.*
