UWW Commissions & Committees - List of Members

Dear President, dear Secretary General,

During its meeting on 20 January 2022, the Bureau approved the members of the UWW Commissions, as well as those for the Associated Styles committees. You will find the list attached.

We congratulate all the members and look forward to working with them.

We thank all the National Federations for sending their applications and for their interest. This opportunity is also taken to warmly thank the outgoing members for their valuable contribution for Wrestling in the previous years.

The responsible UWW departments will liaise with the commissions and their members to organize their work.

It is reminded here that National Federations undertake to cover the travel and accommodation of their members for at least one meeting per year. This said, as we are now used to, online meetings will be convened as need be.

The contribution of the commissions and their members, with their expertise, is an important pillar of the development of our sport. The UWW Bureau expects from the Commissions members to actively work in this direction throughout their term of office and is confident that, through the sharing of innovative ideas, we will further advance our sport.

The UWW administration will update the website in the coming days. In the meantime, we thank you for informing your candidates of the foregoing.

Yours sincerely,

A handwritten signature in blue ink that reads "Carlos Roy".

Carlos Roy
Secretary General
