

UNITED WORLD WRESTLING

TO ALL NATIONAL FEDERATIONS

Corsier-sur-Vevey, 17th June 2025 / cr / ab

New Location and Dates for 2025 U20 World Championships

Dear President,
Dear Secretary General,

Following recent changes within the leadership of the Bulgarian Wrestling Federation, and despite their best efforts, the newly elected board members were unfortunately not in a position to meet all the previously agreed-upon conditions for hosting the 2025 U20 World Championships in Sofia.

Following extensive negotiations and an on-site inspection, while UWW reserve its rights to initiate further proceedings in this matter, it has been decided to move the Championships from Sofia to **Samokov**, which is located approximately 60 km from Sofia.

Please note that, due to the new venue's capacity - allowing for only three competition mats - one additional day has been added to the schedule. The competition will now take place from **August 17 to August 24, 2025**.

Attached to this circular, you will find detailed information and the updated program for the event. The Athena registration system is now open for your teams.

We thank you in advance for your cooperation and understanding, and we look forward to welcoming your teams to the event.

Sincerely,

A blue ink signature of Carlos Roy, consisting of stylized cursive letters.

Carlos Roy
UWW Secretary General
