

UNITED WORLD WRESTLING

TO ALL NATIONAL FEDERATIONS

Corsier-sur-Vevey, 5th August 2025 / cr / ab

Updated Dates for 2025 U23 World Championships and 2025 Senior Grappling World Championships

Dear President,
Dear Secretary General,

We hereby inform you that, following extensive discussions and search for solutions, the Wrestling Federation of Serbia has encountered challenges in fully meeting the initial hosting requirements that were previously agreed upon with UWW for the 2025 U23 World Championships and the 2025 Senior Grappling World Championships in Novi Sad. As a result of a reduction in venue capacity—limiting the setup to three competition mats— an additional day must be incorporated into the event schedule.

Therefore, please be informed that the new dates for the **2025 Senior Grappling World Championships** are **October 14-16, 2025** and the dates for the **2025 U23 World Championships** are **October 20-27, 2025**. The dates for the 2025 Senior AMMA World Championships remain unchanged, October 17-19, 2025.

Attached to this circular, you will find detailed information and the updated program for the events. The Athena registration system is now open for your teams.

We thank you in advance for your cooperation and understanding, and we look forward to welcoming your teams to the events.

Sincerely,

A blue ink signature of Carlos Roy, consisting of stylized cursive letters.

Carlos Roy
UWW Secretary General
