Diana Wrestling Training and Education Center

The Diana Wrestling Sports Center is located 15 minutes from the center of Sofia and 15 minutes from Vitosha Mountain, the pride of Sofia's residents.

The Center was built in the 1970s and underwent major renovations in 2009. It is part of the Diana National Sports Complex, which has numerous halls, facilities, and a hotel section, an outdoor swimming pool, playgrounds, fitness centers, sports fields, parking lots, etc.

It is designed for training camps for national and club teams.

The Wrestling Center has 6 + 6 mats located in two training halls (1100 m² and 500 m²), a modern fitness center, sauna, medical and massage room, coaching rooms, and service rooms. The Center also has a conference room with a capacity of 30 people. This room preserves the rich history of Wrestling. The books of Prof. Raiko Petrov, Prof. Lozan Mitev, Assoc. Prof. Silvia Bakalova, and others have been presented here, and numerous specialized seminars and training courses on Wrestling have been organized.

Until 2019, the Center also functioned as the European Center of the United World Wrestling (UWW).

A 3-minute walk away is the Diana 3 Hotel, which has 55 double rooms, 23 single rooms, and 2 apartments. It has a parking, a conference room for 50-60 people, and a restaurant offering healthy food for athletes.

This is the perfect place for training wrestlers from all continents.

Over the years, World, Continental, and Olympic champions and medalists from many countries have trained at the Diana Wrestling Sports Center.
