# ATHLETES COMMISSION

## ELECTION RESULTS

### SUMMARY

The election of the new UWW Athletes' Commission took place during the Senior World Championships in Zagreb, Croatia, from September 12 to 20, 2025.

A total of 14 candidates stood for election, representing all three wrestling styles (freestyle, Greco-Roman, and women's wrestling) and a wide geographic diversity. Nearly 400 athletes participated in the voting, demonstrating the importance of athlete representation within United World Wrestling.

To further promote awareness, signs with the QR code were displayed inside the back-of-house (BOH) area, as well as in the training and warm-up zones. The process also counted on the collaboration of the UWW IT Department, which provided the dedicated software used to ensure a smooth, transparent, and efficient election.

The top nine candidates were elected to serve on the Commission for the 2025-2029 term. Their role will be to represent the voice of wrestlers worldwide and strengthen the link between athletes and UWW governance.
