## 2. Key Games Information

### 2.1 Arrivals and Departures

SABGOC officially released the *Arrivals and Departures Guide* on 16 March 2026. A designated coordinator from SABGOC will assist Technical Delegates (TDs), International Technical Officials (ITOs) and National Technical Officials (NTOs) in booking flights or trains for arrival in and departure from Sanya, and will enter the relevant arrivals and departures (A&D) information into the Arrivals and Departures Management System (ADS).

The technical delegates shall work from five (5) days before the first competition of their sports to one (1) day after the last competition. The technical officials shall work from three (3) days before the first competition of their sports to one (1) day after the last competition. If there are specific regulations set by International/Asian Federations regarding the working period of international technical officials in special positions of the events, such regulations shall prevail.

The travel expense standards for round-trips are as follows:

(1) For technical delegates, if the trips (by air or by train) last 3 hours or longer, the highest standard shall be business class or first class for flights, or first-class seats for G-series and D-series trains; if the trips (by air or by train) last less than 3 hours, the highest standard shall be economy class for flights, or first-class seats for G-series and D-series trains.

(2) For international/national technical officials, the highest standard shall be economy class for flights, or second-class seats for G-series and D-series trains.

SABGOC will give priority to Hainan Airlines when booking the flights. Technical officials who have not yet submitted their A&D information should contact the designated coordinator as soon as possible to complete ticket booking. In case of any change to A&D information, technical officials shall promptly notify the designated coordinator, but no later than 72 hours prior to the scheduled flight departure.

### 2.1.1 Service Period

A&D services will be available for technical officials from 15 April to 1 May 2026.

These services include customs clearance assistance, procedural guidance, and transport services.

### 2.1.2 Official Point of Arrivals and Departures and Official Port of Entry

Sanya Phoenix International Airport (SYX) is the official port of entry, and Sanya Railway Station is the official point of arrivals and departures.

Sanya Phoenix International Airport

Sanya Railway Station

SABGOC strongly recommends that technical officials enter China via Sanya Phoenix International Airport. In case they enter China via Beijing Capital International Airport, Shanghai Pudong International Airport or Guangzhou Baiyun International Airport and take connecting flights to Sanya, SABGOC will provide necessary assistance.

### 2.1.3 Arrival Services

#### 2.1.3.1 International and Hong Kong, China/Macao, China/Chinese Taipei Arrivals

Upon arrival at Sanya Phoenix International Airport, technical officials shall complete health quarantine, immigration inspection, luggage claim and customs inspection in accordance with the entry requirements of the People's Republic of China before entering the Arrival Hall. Please follow the signage and A&D staff's instructions to the transport area designated by SABGOC to take the shuttle bus to the Technical Officials Hotels.

### 2.1.3.2 Domestic Arrivals

#### (1) Arrivals at Airport

Upon arrival at Sanya Phoenix International Airport, technical officials shall claim their luggage before entering the Arrival Hall. Please follow the signage and A&D staff's instructions to the transport area designated by SABGOC to take the shuttle bus to the Technical Officials Hotels.

#### (2) Arrivals at Sanya Railway Station

Upon arrival at Sanya Railway Station, technical officials shall follow the signage and A&D staff's instructions to the transport area designated by SABGOC to take the shuttle bus to the Technical Officials Hotels.

### 2.1.4 Departure Services

Based on the departure information submitted by technical officials, SABGOC will provide departure transport from the Technical Officials Hotels to Sanya Phoenix International Airport or Sanya Railway Station. It is recommended that those departing from Sanya Phoenix International Airport set off for the airport at least 4 hours before their flight departure.

#### 2.1.4.1 International and Hong Kong, China/Macao, China/Chinese Taipei Departures

Technical officials shall take the shuttle bus to Sanya Phoenix International Airport International Terminal. After completing health quarantine and customs inspection, they shall obtain their boarding passes and check in luggage at the check-in counter. After security check and immigration inspection, they may proceed to the boarding gate.

#### 2.1.4.2 Domestic Departures

##### (1) Departures from Airport

Technical officials shall take the shuttle bus to Sanya Phoenix International Airport.

They shall obtain their boarding passes and check in luggage at the check-in counter, and then go through security check before proceeding to the boarding gate.

(2) Departures from Sanya Railway Station

Technical officials shall take the shuttle bus to Sanya Railway Station. They shall go through security and ticket checks before boarding.

**2.2 Accreditation**

The Sanya 2026 Asian Beach Games Identity & Accreditation Card (SABGIAC) is an official document issued by SABGOC with the authorisation of the OCA. Technical delegates and technical officials participating in the Games shall complete the accreditation process and obtain their SABGIACs.

Non-Chinese participants can enter or exit the Chinese mainland multi-times by presenting their valid passports or other international travel documents together with SABGIACs issued by SABGOC during the period from 00:00, 22 March 2026 to 24:00, 20 May 2026 (Beijing time).

When entering the Chinese mainland with SABGIACs, the holder must ensure that the information on his/her identity document is exactly the same as that submitted for accreditation application. Technical officials from Hong Kong, China, and Macao, China can enter the Chinese mainland by presenting their valid Mainland Travel Permits for Hong Kong and Macao Residents. Technical officials from Chinese Taipei can enter the Chinese mainland by presenting their valid Mainland Travel Permits for Taiwan Residents.

Any non-Chinese participant who needs to enter or stay (live) in the Chinese mainland beyond the valid period of the SABGIAC should apply for a Chinese visa or apply for a residence permit at the local public security authority in accordance with applicable regulations.

For non-Chinese participants who have been accredited but not yet received their SABGIACs, and need to apply for Chinese visas, please contact SABGOC to request a visa invitation letter.

**2.2.1 Overview of SABGIACs**

Holders of valid SABGIACs can enter or exit corresponding venues and zones of the Games and have permissions that match their identities.

### 2.2.4.3 Replacement of Lost, Stolen, or Damaged SABGIACs

#### 2.2.4.3.1 Loss or Damage of SABGIACs Before Entry

If a pre-valid SABGIAC is lost or damaged before entry into the Chinese mainland, the holder's AF/IF shall promptly notify SABGOC's Sports Department. SABGOC will then cancel the SABGIAC in question. A cancelled pre-valid SABGIAC cannot be validated.

The holder shall contact SABGOC to obtain a visa invitation letter before applying for a Chinese visa for entry. After arrival in Sanya, the holder may go to the MAC to apply for a new SABGIAC in person. The holder must return the damaged SABGIAC to the MAC.

#### 2.2.4.3.2 Loss or Damage of SABGIACs after Entry

If a validated SABGIAC is lost or damaged, the holder shall immediately report to SABGOC's Sports Department, which will notify the MAC. SABGOC will then cancel the SABGIAC in question. To apply for a new SABGIAC, the holder shall present their valid identity document at the MAC and fill out the *Statement of Lost or Damaged SABGIAC* and the *Accreditation Problem Resolution Form*. A new SABGIAC will only be issued after the MAC receives the *Accreditation Problem Resolution Form* signed by either the Sports Department or the holder. The holder must return the damaged SABGIAC to the MAC.

### 2.2.5 Additional Access Passes

In addition to SABGIACs, some additional access passes, such as Upgrade Transferable Card (U Card), Day Pass and Guest Pass, will be used at Games time for access to specific areas within a specified time period.

Upgrade Transferable Cards (U Cards) will be collected and distributed by the Sports Department to the respective AFs/IFs.

Day Passes will be issued by the VAOs.

When applying for and claiming the Guest Pass, the inviting party should submit applications to the Guest Pass Centre of the target venue (Athletes Village, Main Media Centre (MMC), OCA Headquarters Hotel) within the specified time one day before the date of visiting. Once approved, the Guest Pass can be issued by the Guest

Pass Centre.

### 2.3 Accommodation

Technical officials will be separately accommodated in two Technical Officials Hotels based on the proximity to the competition venues. Technical officials for Beach Handball, Sport Climbing, Beach Volleyball, Beach Soccer, Jiu Jitsu, Teqball, Beach Wrestling and Sailing will stay at Howard Johnson Resort Sanya Bay; while those for 3x3 Basketball, Aquathlon, Open Water Swimming, Water Polo, Beach Kabaddi, Dragon Boat and Beach Athletics will stay at Sanya Shengyi Seaview Hotel.

Technical Officials Hotels are equipped with a medical room and a 24-hour complimentary self-service laundry room, in addition to paid laundry services.

#### 2.3.1 Sanya Shengyi Seaview Hotel (Shengyi Hotel)

The hotel is located at No. 35 Sanya Bay Road, Tianya District, Sanya City, Hainan Province. It is 13 kilometres from Sanya Phoenix International Airport and 6 kilometres from Sanya Railway Station. The hotel serves as the accommodation for Technical Officials of the following sports/disciplines: Aquathlon, Open Water Swimming, Water Polo, Beach Kabaddi, Beach Athletics, Dragon Boat and 3x3 Basketball.

**2.3.3 Technical Officials Hotel Service Period**

The complimentary accommodation period for Technical Delegates is from five days before the start of the competition of their sports to one day after the conclusion of the competition (the exact dates are to be confirmed based on the competition schedule).

The complimentary accommodation period for International and National Technical Officials is from three days before the start of the competition of their sports to one day after the conclusion of the competition.

Any accommodation costs incurred beyond the above periods shall be borne by the individuals themselves.

**2.4 Food and Beverage**

**2.4.1 Catering**

Complimentary buffet meals will be provided for technical officials at the Technical Officials Hotels. Technical officials may dine at the hotel restaurant by presenting

their room card or meal vouchers verified by the Technical Officials Hotels' operations team. Only one meal is permitted per meal period. On the day of the Opening or Closing Ceremony, technical officials may collect a room-temperature boxed meal from the Technical Officials Hotels' restaurant by presenting their SABGIACs.

Catering services for technical officials at the Technical Officials Hotels will be available throughout their stay, with daily meal times as follows:

Breakfast: 05:30–09:00

Lunch: 11:30–14:00

Dinner: 18:00–21:00

Late-night snack: 23:00–01:00

In principle, technical officials shall have their meals at the respective Technical Officials Hotels. In cases where technical officials are unable to return to their hotels for meals due to competition arrangements, complimentary lunch and dinner (buffet meals; or boxed meals, with Western and Halal food available) will be provided at the competition venues. Such meals shall be reserved by the Venue Sports Functional Area (FA) with the Venue Food and Beverage FA at least 24 hours in advance.

#### 2.4.2 Tea Break

Complimentary refreshments and beverages will be provided for technical officials at the Technical Official Lounge in competition venues. The service will be available from the first competition day to the last competition day, and the service period lasts from two hours before the competition of the day to the end of technical officials' meetings.

#### 2.5 Public Transport

SABGOC will provide public transport services for technical officials between the official hotels and competition venues. The specific shuttle bus schedule may be

adjusted based on the competition schedule, and will be available at the Technical Officials Hotels and competition venues.

#### 2.6 Uniforms

SABGOC will provide one set of sportswear for each technical official and one set of formal wear for each technical delegate. Upon arrival at the designated hotels, technical delegates and technical officials may collect and exchange their uniforms within the specified time period by presenting their SABGIACs.

### **2.6.3 Exchange**

If technical officials find any issues with size or quality upon receiving the uniforms, they may request an exchange, provided that the tags remain intact and the uniforms are clean and undamaged. For exchange, please contact the Technical Officials Hotels' team and follow the required procedures.

### **2.7 Expenses**

The per diem standards and other relevant expense standards, as well as the reimbursement procedures, for technical officials are specified in the service support policy for technical officials.

#### **2.7.1 Per Diem for International Technical Officials**

SABGOC will distribute per diem in cash (USD) at the Technical Officials Hotels before the conclusion of each competition. Technical officials shall sign to confirm receipt. The per diem shall be calculated from the date when the International Technical Officials depart from their country/region or the competition venue of the previous IFs/AFs to Sanya, to the date they leave their post during the Games-time operational period (including the day when they leave their post).

#### **2.7.2 Per Diem for National Technical Officials**

SABGOC will collect bank account information from national technical officials, and distribute per diem via bank transfer after the Games. The per diem shall be calculated based on the total number of their work days in Sanya.

### **2.8 Ticketing and Official Activities**

#### **2.8.1 Opening and Closing Ceremonies**

All technical officials attending the Opening or Closing Ceremony shall present both their dedicated ceremony accreditation card and a valid event ticket to gain access to the venue. Dedicated transport between the designated hotels and venues will be available for technical officials.

#### **2.8.2 Spectating**

SABGOC will reserve seating for technical officials at each competition venue. Technical officials may access designated areas to watch competitions according to the access entitlements indicated on their SABGIACs and valid work tickets. For competitions other than own-sport ones, they must purchase tickets separately for entry.

### **2.9 Medical Services**

#### **2.9.1 Emergency Number**

City Emergency Hotline: 120

#### **2.9.2 Medical Services Overview**

A medical room will be set up at each Technical Officials Hotel, staffed by one doctor and one nurse, and providing 24-hour emergency medical services.

#### **2.9.3 Designated Hospitals**

SABGOC has designated three Grade A Tertiary Hospitals—Sanya Central Hospital, Sanya People's Hospital, and Sanya Hospital of Traditional Chinese Medicine—as the dedicated referral hospitals for the Games. Patients may be transferred to these hospitals for treatment as required.

## 2.10 Insurance

### 2.10.1 Personal Accident Insurance

SABGOC will provide personal accident insurance for all accredited technical officials, covering accidental death, accidental disability and accidental medical treatment. The coverage is valid from 4 April to 3 May 2026 and only within areas in Sanya for the competitions and related activities of Sanya 2026. It is recommended that technical officials purchase personal accident insurance and personal medical insurance for accompanying persons not covered by the Sanya 2026 Insurance Plan, and ensure that these insurances are valid during their stay in China. Technical officials are advised to arrange their own personal accident insurance and personal medical insurance before travelling to China.

### 2.10.2 Repatriation Insurance

SABGOC will provide repatriation insurance for all accredited technical officials. The insurance will cover medical evacuation or repatriation expenses up to the policy limit. In the event of death, the repatriation insurance will cover the costs of returning the remains to the home country.

### 2.10.3 Vehicle Insurance

All SABGOC-supplied vehicles, including Rate Card vehicles, will be covered with insurance, including vehicle damage insurance and vehicle liability insurance.

### 2.10.4 Liability Insurance

SABGOC does not provide technical officials with liability insurance. Technical officials shall be solely liable for any losses caused to others by their actions or belongings. It is recommended that technical officials purchase comprehensive liability insurance.

### 2.10.5 Property Insurance

SABGOC does not provide insurance for the property of technical officials. Technical officials shall be liable for any loss of, or damage to, their luggage, property or equipment, in the following circumstances:

- When carrying the above items by themselves;

- When delivering such items to designated hotels or venues by themselves;
- When using the items during training or competitions;
- When storing the items at venues or official hotels;
- Normal wear and tear, abrasion, or quality issues;
- Any loss caused by natural disasters or other force majeure events.

It is recommended that technical officials purchase property insurance for their own luggage, property and equipment.

### 2.10.6 Contact Information

China Life Insurance Company Limited is the official prestige partner that will provide comprehensive insurance services for Sanya 2026.

## 2.11 Security Guidelines

### 2.11.1 Access Control

Accreditation checkpoints will be set up at the personnel and vehicle entrances of relevant venues, including the Athletes Village, Opening & Closing Ceremonies Venue, and competition venues (for competitions, training and warm-ups). Additionally, zone access control points will be set at sites involving accreditation zones, such as the Athletes Village and competition venues. Security staff reserve the right to deny entry to any person or vehicle without valid accreditation or proper access entitlements, or where the accreditation information does not match the holder or vehicle.

### 2.11.2 Incidents/Cases

In the event of any incident or case, technical officials participating in the Games may report it at the on-site police offices and local police stations, or by calling the police emergency number 110.

### 2.11.3 Laws and Regulations

While in Sanya, all individuals shall abide by applicable laws and regulations of the People's Republic of China. Any acts that may endanger public security or disrupt the order of Sanya 2026 are prohibited.
